Broaden Worldwide Co., Ltd is an ISO-9001 Certified Quality Supplier-Manufacturer of Australian Standard AS3566 self-drilling and self-tapping screws in various coatings for steel to steel to steel to timber applications.

Our headquarters are in Taiwan and we operate sales and marketing offices in India and Thailand.

Founded in 2009.

D-U-N-S® Number: 65-676-1397

2009

Broaden Worldwide Co., Ltd.

Established in 2009 and began the trade of selling construction fasteners.

BDN Fasteners® HQ (TAIWAN)

BDN Fasteners®, the 100% made in Taiwan brand, steps into the fasteners scene.

2014

2015

BDN Fasteners® OFFICE (THAILAND)

BDN Fasteners Thailand was established in 2015, and set up as a base for sales and promotion of BDN Fasteners in ASEAN countries.

BDN Fasteners takes a major step forward and builds a new facility dedicated to Heading, Threading, and Pinch Pointing processes – maximizing speed and efficiency, taking our service and quality to the next level.

2017

2018

Despite hard times, BDN Fasteners® takes yet another bold step forwards, relocating to a larger storage and packaging facility for better logistics, accommodate additional personnel, and new packaging machinery.

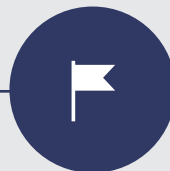

BDN Fasteners® OFFICE (INDIA)

BDN FASTENERS PVT.LTD. was established in the end of July, 2018 for sales in Indian market.

2018.7

2019

BDN Fasteners® takes another bold step forwards, moving our packaging and warehouse facility to a larger area in order to provide better, faster service in the near future.

Despite the outburst of COVID-19 and the world going topsy-turvy, BDN Fasteners has taken advantage of the calm within the storm, expanding of Our facility and adding multiple collated screw assembly lines, fully prepared once the global economy bounces back to pre-pandemic levels.

2022

Through hard work and passion, Broaden Worldwide Co., LTD has planted a seed within the Taiwan fastener industry, slowly but steadily bringing new ideas into the business, with a goal to spread and grow throughout the fastener industry and eventually around the globe like bushfire.
